# FRESH MEAT

# STORY SYNOPSIS

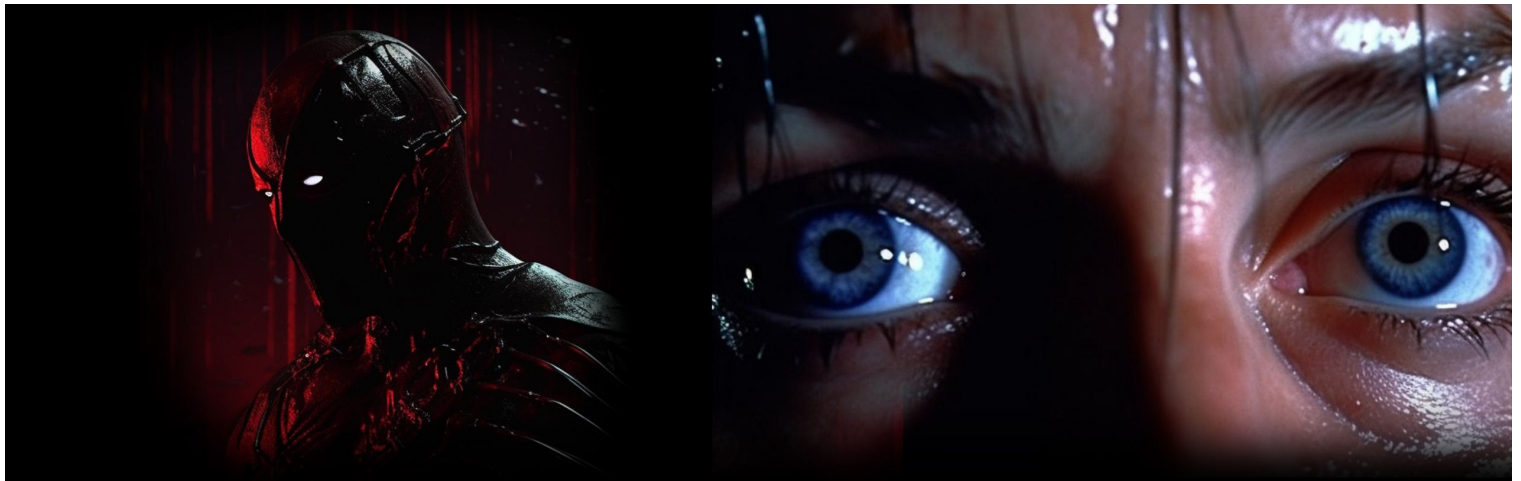

The story follows a group of young influencers who break into an abandoned prison with the goal of creating content for their online channels. But what they don't know is that there is an inmate lurking within the walls, and he is hungry for **FRESH MEAT**

As the group explores the dark and creepy prison,  
they soon realize they are not alone.

**The Inmate** who has been locked up for years,  
has been waiting for new prey to satisfy his twisted desires.  
And now, the young influencers are the perfect targets.

The body count rises as the group tries to find a way out of the prison, but with each turn, the Inmate wearing a deranged psychiatric mask is always one step ahead, using the prison's dark and twisted passages to his advantage. The influencers soon find themselves in a race against time, with their lives hanging in the balance.

A roller coaster ride  
with heart-pumping action,  
bloody practical effects, and  
edge-of-your-seat thrills.

Get ready to scream,  
get ready to jump,  
and get ready for

**FRESH MEAT**

## Director's Vision

"In "Fresh Meat," my vision is to redefine the slasher genre by creating a modern-day horror film that seamlessly blends laughter, screams, and an abundance of blood. This carefully crafted story takes audiences on a fast-paced, exhilarating journey, filled with unexpected twists and turns at every corner. Through a combination of homage to classic slasher films and a fresh, contemporary approach, each shot is meticulously composed to deliver pure, unfiltered emotions and create a visually striking and immersive cinematic experience.

Let's come together to bring this electrifying vision to life and create a slasher film that will leave a lasting impact on audiences."

# THE TEAM

## DANIEL TURRES WRITER/DIRECTOR

Chilean/Canadian director Daniel Turres is a visionary filmmaker driven by an unwavering passion and unparalleled work ethic. With a portfolio of captivating short films and a debut feature at the tender age of 18, this producer has carved a path to the forefront of the industry. Recently hailed for the success of his most daring production, **Here For Blood**, his deep admiration for the art of horror filmmaking fuels his desire to deliver even more heart-stopping thrills to audiences worldwide.

## CHRISTIAN TURRES PRODUCER

With his experience in radio, television, film, and theater in Chile, Christian brings a wealth of knowledge and expertise to his work. Christian is also the proud father of Daniel. Filmmaking is a family legacy. As the backbone of Pageman Productions, Christian embodies an unwavering determination and steadfast commitment to each and every project, never backing down from a challenge and seeing every film through to its triumphant conclusion.

## BEN SROKOSZ PRODUCER

An accomplished producer with a reputation for excellence, this visionary operates **OOAK**, a thriving production company in a tight-knit community. Endorsed by his partners and clients as a true professional, he consistently raises the bar for quality productions. Possessing a wealth of expertise and knowledge, his commitment to excellence is evident in each project, elevating it to new heights of creativity.

## COURTNEY PRESTO CO-PRODUCER

Meet our dynamic and visionary entrepreneur, engineer, and founder of **Presto**. With a strong background in the entertainment industry and dual Bachelor's degrees in Computer Science and Film/Video Production from the esteemed University of Southern California, she embodies a rare blend of technical expertise and creative finesse. With an infectious enthusiasm and a demonstrated history of success, she leads with unwavering dedication, inspiring a collaborative environment that sparks creativity and propels the industry forward.

## Production Breakdown

We are thrilled to announce the upcoming production of Fresh Meat, a highly anticipated project known for its professionalism and artistic excellence. Here are the key details:

**Pre-production:** Starting this August 2023, we will meticulously prepare for an extraordinary production experience.

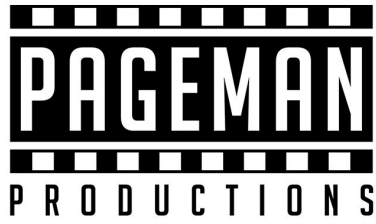

**Production:** From September to October 2023, our dedicated team will bring Fresh Meat to life. Filming will take place in the scenic Chatham-Kent area, centered around the captivating Chatham County Jail.

**Cast and Crew:** We are proud to adhere to ACTRA requirements, ensuring a union cast and guaranteeing exceptional performances. Our crew will consist of a talented mix of local professionals and skilled specialists from the Greater Toronto Area, covering areas such as Camera, SFX, Stunts, and more.

**Post-production:** Following production, we will begin post-production in November. Our aim is to deliver a finalized cut by February 2024, enabling us to submit Fresh Meat to prestigious international festivals, including Berlin and Cannes.

**Distribution and Release:** Our ultimate goal is to secure worldwide distribution for Fresh Meat. We plan to start with a North American theatrical release, followed by streaming and physical media sales, maximizing the exposure of this remarkable production.
